

LINCOLN HILLS RV GROUP

NEWSLETTER JUNE 2021

THE LODGES WILL OPEN SOON AND OUR MEETINGS WILL RE-START

Based on the latest communications from the HOA, the Lodges will begin opening on June 1st from 8am to 5pm. Then, on June 15th, all State Covid restrictions will be lifted and we will finally go back to our full schedule of 8am to 9pm. While this schedule will not permit our June Meeting, **we expect to finally resume our Monthly Meetings on July 8th, from 4:30-6:30 in the Placer Room (KS).** We will likely have some restrictions still in place regarding Room set-up and whether any appetizers, etc. will be allowed. More on this later,

OUR THANKS TO ALL OF YOU

It has been a trying time for all of us since the onset of Covid in early 2020. Hopefully everyone and their families got through this safely. Most of all we thank all of you for wearing your masks faithfully and getting your Covid shots as soon as they became available. Your diligence has kept us safe.

OUR MEMBERS ARE TRAVELING

Ann & I just returned from a 3.5 month, 8,500 mile through the South to Key West, FL then back through the mid-west and the glory of the Rocky Mountains. It was a great trip despite lots of weather challenges but we're glad to be home... at least for a little while. If any of you are planning a South trip, contact us. We have lots of info as well as AAA Tour books.

Meanwhile, many other Members are off touring in their RVs and making great memories.

RALLIES HAVE BEEN GREAT!!!

After our opening Rallies at Emerald Desert (Palm Desert) and Campland on the Bay (San Diego), our Members have been having a ball with the National Parks/Utah Rally organized by V.P.s Vicki White & Sharon Skar. As you can see from the photos above, their adventures included a River cruise and light show up the Colorado from Moab, a Happy Hour up in the Mountains, and a Barbeque in Zion. I've even heard that Mary Romo won the Music Contest at Bryce N.P. Way to go Mary! You'll learn more about these adventures at our July Meeting.

WATCH FOR YOUR JUNE COMPASS

Janet Motta, Vickie White, and Sharon Skar have been diligent in getting our Group news out to our Lincoln Hills community through their Articles in the Compass and Sun Senior News. Thank you to each of them. For June, it is possible that our RV Group will be on the Cover and the featured story in our Compass Magazine.

We thank all of our Officers for their service and leadership of our Club.

Sunshine - We have not heard any new reports of any other Members having health problems and thankfully no Members appear to have suffered Coronavirus. If you hear of any Members that become ill or need help, please let us know so we can send a card and find out if they need our assistance.

OTHER:

1. Rally Games - aside from the pleasure of traveling and camping in our RVs, for many of us the social interaction at our sites is a big part of the experience. However, close together games such as Mexican Train Dominoes, Bridge, and others will likely be precluded due to social distancing restrictions. But that doesn't mean we will not have plenty to keep us engaged and amused. Here's a few ideas: Charades, Movie nights, and of course Name That Tune. Dancing may work. What are your ideas?

2. E-Bikes - We are loving our new Rad e-bikes and riding them everywhere. If any of you are considering getting and be sure to check out: <https://electricbikereview.com/> - the best resource available on all e-bikes.

TELL US ABOUT YOUR MEMORABLE TRIPS

One of the challenges with writing Newsletters or News Articles is finding interesting Content. Each of us have one or more special memories of travel experiences... in your RV or some other means of travel. Please send me your story and, if possible, a photo.

Stay Safe and enjoy our blessings here at Sun City Lincoln Hills.
