

LINCOLN HILLS RV GROUP

NEWSLETTER JULY 2021

OUR JULY MEETING IS OFF - HOPEFULLY WE'LL RE-START IN AUGUST

Last month, we believed that the HOA would re-open our Lodges fully by July. However, as we've now learned, apparently due to staffing shortages, they are continuing the 8AM to 5PM schedule. So, no Meeting for July. Hopefully we'll get back to normal by August. We will likely have some restrictions still in place regarding Room set-up and whether any appetizers, etc. will be allowed. More on this later, Meanwhile, our Rallies are going great, we have 10+ new Members, and (Yippee!!!) We have a full slate of Officer Candidates for 2022.

OUR THANKS TO ALL OF YOU

It has been a trying time for all of us since the onset of Covid in early 2020. Hopefully everyone and their families got through this safely. Most of all we thank all of you for wearing your masks faithfully and getting your Covid shots as soon as they became available. Your diligence has kept us safe. For those of you traveling out of State or out of the Country, be aware that Covid restrictions may impact your plans. Canada apparently remains closed for now regardless of your vaccination status. Hawaii is lifting it's restrictions to a degree on July 8th but you'll still need to file vaccination records with them to get into the Islands. Ann & I are heading there in September.

OUR MEMBERS ARE TRAVELING

Ann & I just got back from a 3.5 month RV trip to the South and next week we're heading off to Wyoming and Yellowstone. We'll bring back information on a family RV Park that is just opening ½ way between Cody and the East entry to Yellowstone. Meanwhile, many other Members are off touring in their RVs and making great memories. Cara & Eric Roberts have proposed a Cody/Yellowstone trip for 2022 and we've sent information out to you on their recommendations. It's unclear if this will become a Club Rally or individual trips that may join up.

RALLIES HAVE BEEN GREAT!!!

After our opening Rallies at Emerald Desert (Palm Desert) and Campland on the Bay (San Diego), our Members had an incredible experience with the National Parks/Utah Rally organized by V.P.s Vicki White & Sharon Skar. As you can see from the photos above, their adventures included a River cruise and light show up the Colorado from Moab, a Happy Hour up in the Mountains, and a Barbeque in Zion. I've even heard that Mary Romo won the Music Contest at Bryce N.P. Way to go Mary! You'll learn more about these adventures at our next Meeting or from e-mails, Compass, and Sun Senior News..

DID YOU SEE OUR ARTICLE IN THE JUNE COMPASS?

Janet Motta, Vickie White, and Sharon Skar have been diligent in getting our Group news out to our Lincoln Hills community through their Articles in the Compass and Sun Senior News. Thank you to each of them. For June, we got a featured story in our Compass Magazine. If you missed it, look it up online.

CLUB NEWS:

2022 ELECTIONS - Like all Clubs in SCLH, we operate under a set of Bylaws which includes a procedure for electing our Club Leaders. While we have bridged the Covid shutdown by most of our 2020 Officers continuing on through 2021, now that we near re-Opening, it's time to get our Elections back on track. Under Article V of our Bylaws, our Elections are held annually at our November Meeting. Prior to that Meeting, we are required to establish a Nominating Committee to submit a Proposed Slate of Officers for two Meetings prior to the Election.

Our Existing Officers held a Board Meeting on Sunday, June 13th at which we - serving as the Nominating Committee - solicited interest for 2022 Officers. The result of our deliberations has produced the following Proposed Slate of Officers for 2022:

President: Mary Romo
Vice President: Vicki White
Treasurer: Maureen Williams
Membership Chair: Sharon Skar
Secretary: Janet Motta
Sunshine Chair: OPEN
Communications/Webmaster: Ricki Montoya
Social Chair: Vicki White

Our Bylaws also provide for Members to place their name in Nomination for an Officer position or for other Members to nominate a potential Officer. If any of you desire to do so, please contact President Steve Beede.

The above Nominations are hereby submitted for our July Meeting (though not held) and will be presented at our August, September, and October Meetings with the addition of any other Nominations received.

The Election will be held at our November Meeting - assuming that we are re-opened for Meetings. If not, we will hold the election digitally by e-mail.

Sunshine - We have not heard any new reports of any other Members having health problems and thankfully no Members appear to have suffered Coronavirus. If you hear of any Members that become ill or need help, please let us know so we can send a card and find out if they need our assistance.

OTHER:

1. Rally Games - aside from the pleasure of traveling and camping in our RVs, for many of us the social interaction at our sites is a big part of the experience. However, close together games such as Mexican Train Dominoes, Bridge, and others will likely be precluded due to social distancing restrictions. But that doesn't mean we will not have plenty to keep us engaged and amused. Here's a few ideas: Charades, Movie nights, and of course Name That Tune. Dancing may work. What are your ideas?

2. E-Bikes - We are loving our new Rad e-bikes and riding them everywhere. If any of you are considering getting and be sure to check out: <https://electricbikereview.com/> - the best resource available on all e-bikes.

TELL US ABOUT YOUR MEMORABLE TRIPS

One of the challenges with writing Newsletters or News Articles is finding interesting Content. Each of us have one or more special memories of travel experiences... in your RV or some other means of travel. Please send me your story and, if possible, a photo.

Stay Safe and enjoy our blessings here at Sun City Lincoln Hills.
